

*Never Forgotten, But Always  
In My Heart*

You may be gone from my sight,  
But you are never gone from my heart.

May the stars at night,  
Carry our sadness far away,  
And the moonlight fill our hearts with love.

May the beauty of our life together,  
Live on through our memories,  
And bring us peace at times,  
When needed the most.

May our hearts and souls find  
Peace and comfort within;  
With every raindrop to wash away  
Our troubles when we are down,  
And with every sunrise,  
Hold new promises of hope.

You see, your wings were ready,  
But my heart was not.

It's time to say goodbye, for now  
Someday...not now...in time...
